

Faculty of Biological Sciences

Undergraduate School Level 1 Prizes

Prize	Awarded to	Programme	Selection Criteria
Biochemistry First Year Prize	Annabel Taylor	Medical Biochemistry	Best overall performance in one of the single honours degrees in Biochemistry
Stephen J P Wilson	Rachel Ware	Medical Biochemistry	Best all round performance in one of the single honours degrees in Biochemistry including non-academic achievements
Microbiology	Alice Stelfox	Microbiology with Virology	Best overall performance in a programme of study leading to the degree of BSc in Microbiology, Medical Microbiology, Microbiology and Immunology or Microbiology with Virology
Biological Science	Helen Groves	Biological Sciences	Best overall performance in a programme of study leading to the degree of BSc in Biological Sciences
Ed Wood Memorial	Annabel Taylor	Medical Biochemistry	Best overall mark in Quantitative Biochemistry as judged by the aggregate module marks for the modules BIOC1302 and BIOC1303
Sport & Exercise Science	James Lee	Bsc Sport & Exercise Science	Best overall performance in a programme of study leading to the degree of BSc in Sports and Exercise Science

Sport Science & Physiology	Sophie Black	BSc Sport Science & Physiology	Best overall performance in a programme of study leading to the degree of BSc in Sport Science and Physiology
Covance Pharmacology	Joseph Ali	Pharmacology	Best overall performance in the Pharmacology programme
Human Physiology	Charlotte Illman	Human Physiology	Best overall performance in a programme of study leading to the degree of BSc in Human Physiology
Medical Sciences	Alice Compton	Medical Sciences	Best overall performance in a programme of study leading to the degree of BSc in Medical Sciences
Neuroscience	Eluned Broom	Neuroscience	Best overall performance in a programme of study leading to the degree of BSc in Neuroscience
Biology	Emma Solberg	BSc Biology	Best overall performance in a programme of study leading to the degree of BSc in Biology
Ecology & Environmental Biology	Denny Moyers	BSc Eco & Env Biology	Best overall performance in a programme of study leading to the degree of BSc in Ecology & Environmental Biology
Genetics	Mama Sekyi-Djan	BSc Genetics	Best overall performance in a programme of study leading to the degree of BSc in Genetics or Human Genetics

Undergraduate School Level 2 Prizes

Prize	Awarded to	Programme	Selection criteria
Biochemistry Second Year Prize	Yolanda Gibson	Biochemistry	Best overall performance in one of the single honours degrees in Biochemistry
Leeds Naturalist in Plant Science	Eloise Brown	BSc Biology	Best performance in Plant Science
Biology	Eloise Brown	BSc Biology	Best overall performance in a programme of study leading to the degree of BSc in Biology
Francis William Dry Prize (Zoology)	Elspeth Robinson	BSc Zoology	Best overall performance in a programme of study leading to the degree of BSc in Zoology
Genetics	Budour Alkaf	BSc Genetics	Best overall performance in a programme of study leading to the degree of BSc in Genetics or human genetics
GE Healthcare (Med Sci)	Luke Cole	Medical Sciences	Best overall performance in a programme of study leading to the degree of BSc in Medical Sciences
AstraZeneca Prize	Aaron Bradshaw	Pharmacology	Best overall performance in a programme of study leading to the degree of BSc in Pharmacology

LHASA prize in Toxicology	Veli Veli and Helen Groves		Best performance in Toxicology module BMSC 2214
Human Physiology	Megan Walton	Human Physiology	Best overall performance in a programme of study leading to the degree of BSc in Human Physiology
Neuroscience	Olivia Sharp	Neuroscience	Best overall performance in a programme of study leading to the degree of BSc in Neuroscience
Microbiology	Joseph Lattimer	Medical Microbiology	Best overall performance in a programme of study leading to the degree of BSc in Microbiology, Medical Microbiology, Microbiology and Immunology or Microbiology with Virology
Society for General Microbiology	Joseph Lattimer	Medical Microbiology	Best overall performance in a programme of study leading to the degree of BSc in Microbiology, Medical Microbiology, Microbiology with Immunology or Microbiology with Virology
Sport & Exercise Science	Katherine Chin	Bsc Sport & Exercise Science	Best improving student in Sports and Exercise Science
Sport Science & Physiology	Aaron Buck	BSc Sport Science & Physiology	Best improving student in Sports Science and Physiology
